

Thank You for a Great Season!

The staff here at Weeks Berry Nursery would like to sincerely thank all of our customers for a great season! As you can see our staff is already busy prepping the fields and planting crops for an even better season!

Although the shipping season is over, please feel free to use the site library pages posted on each variety page.

We will have our 2016-17 catalogs coming out this August and we will be accepting orders online at that time. Our shipping season will resume on November 1, 2016 and run until the end of April 2017.

Pre-orders will be accepted by phone or fax now with pricing to be determined with catalog release in August.

See you all next season!
